Please keep your smartphone's Bluetooth turned on and Location Services set to "Always Allow" while you are in the hospital.

When you enter the hospital, a notification will be sent to your smartphone based on your location to confirm your arrival.

① Go to the "Guidance" menu.
② Tap on the "Contact" tab and check the reception guide displayed there.
③ Tap "Reception"

Note1: You cannot check in before 8:15 AM.

Note2: A message will appear if your health insurance card has not been verified.
Please have it checked at the insurance verification counter.

Note3: Please note that various tests such as blood tests, urine tests, and radiology exams require a separate check-in at their respective reception desks.

# Medical Examination and Test Guide

By tapping "Reception" and turning on "Active guidance," you will receive guidance notifications from this app.

Also, when a patient guidance message is sent, a response option such as "OK" will be displayed depending on the message.

Please follow the messages to move to the waiting area or examination room.
